21st Century Leadership 'SQ' Spiritual Quota Intelligence Development

©2022 New Definition Leadership® Violet Ione Kashewa LLC ISBN: 978-0-9862395-8-8

'SQ' CAPABILITY INVENTORIES

- ▶ Human 'SQ' spiritual quota capability inventories intersect 'new earth' innovation technologies© and next-generation cross-industry solutions like systems sciences design.
- ▶ 'SQ' spiritual quota intelligence serves collective human advancement, new co-creative memories of global coherence, causal 'SQ' futures artistry strategic responsiveness, and epistemological sustainability sciences like pluralistic medical applications and 'AI' technology advances.
- ▶ Explores how things work by psychoenergetics as well as 'accelerated higher-conductivity learning models'© and the new physics on Earth.

Leaders of the 21st Century operate within the scientifically validated 'new physics' accelerated higher conductivity fields of coherence with increased 'SQ' potency co-creative power.

Leaders have never been here before at this critical juncture in history...the scientific community validates 'new physics' are available on the planet. Human consciousness and planetary subtle realities have coalesced to a collective 21st Century ascension phenomenon on Earth that will radically shift how humans ascertain co-creative power and source knowledge at accelerated higher conductivity. Collective 'SQ' immersive participation in putative 'Source' energy, frequencies, calibrations, and vibrational currencies will redefine our relationship to time and space. We will acclimatize to fluid revelatory knowledge, and the qualitative, eternistic next steps of 'leadership purpose congruency' around the world as transformative to all global societal spheres. Because we are operating within the 'new physics' of planetary acceleration and heightened capabilities inventories that will manifest as solutions to the times radically shifting 'AI' and machine learning, empathic sciences, cross-industry global responsiveness, learning and innovation models, and more. Refining paths of servant leadership and change agency of the new millennium.

SUMMARY: 21st Century Leadership 'SQ' decision makers or new millennium leaders effectively operate at next level 'capabilities inventories' like new millennium aptitudes manifest as collective intelligence psychic exchange levels of problem solving access and utility. Emergent 'SQ' spiritual quota intelligence problem solving is not former EQ emotional intelligence. Sophisticated generative meta-relay methods involving innate transcendent human imagination, confluence, prophetic faculties, and non-local sense-making is relevant to the heuristics of accelerated learning models at higher conductivity. The epic opportunity for 21st Century leadership is to thoroughfare the greater design of Universal Intelligence so to benefit humanity and planet. To intentionally co-create authenticated global coherence via new collective memories encircling the future story of our shared investments in consciousness evolution. LEADERSHIP 'SQ' EXPRESSIONS

- ▶ 'SQ' quota exists as natural human revelatory spiritual consciousness elevating problem-space perception demonstration.
- ▶ Leadership SQ expressions impacts change agents ability to redefine 'routes of relevance' propelling others into their destinies.
- ▶ Prophetic leadership SQ articulations offer revelatory 'knowledge sourcing' information that can be mapped to link vision to actualization.
- ▶ Accelerated higher conductivity universality constructs reveal 'human potential records' importance, purpose, and possibility blueprints shifting paradigms.

'SQ' QUOTA DEVELOPMENT

- ▶ Leadership 'SQ' signifies exemplary servant leadership change agency of the new millennium.
- ▶ Each of five 21st Century leadership types as 'conscious', 'transformational', 'evolutionary', 'visionary', and 'accelerated' exhibit unique and distinct new millennium aptitudes, radial meaning-making influence, capabilities inventories, and track phase tooling developmental stages and impact trajectories or routes of relevance.
- ▶ 'SQ' spiritual quota intelligence does not evolve from EQ emotional quota intelligence but is ascertained on entirely different levels of access, utility, and outcomes; human executive functions operate fluidly by spatial non-local consciousness albeit discernible by the personality, others, and environment.
- ▶ Empathic sciences© encircle intuitive, historic, quantum, and cosmic restorative levels of information-communication relays as the experiential, social-transference, cosmos relevance, and transcendent progressions of unfolding human enlightened consciousness evolution.

NEW MILLENNIUM APTITUDES

- ▶ Cultivating wisdom in today's sophisticated, highly-sensitive 'knowledge culture' fosters insightful organizational presence and facilitates new millennium aptitudes.
- ▶ Discern 'space/time' relationships by practicing innate 'SQ' 'certainty/knowing' tools that signal past achievements from future opportunity.
- ▶ 'SQ' stewardship empowers communities and strengthens conditions for global coherence and peacemaking.
- ▶ Map 'SQ' futures artistry mindset characteristics, and collective intelligence alignments, percipience, and amplitude.
- ▶ Ascertain 'SQ' atmospheres, subtle energy-information lay-lines and currencies generating emergent innovations.

IMMERSIVE CO-CREATIVE POWER

- ▶ Explore 'SQ' immersion events to psychically evoke next-level precedence in the 'knowledge culture' as to evolve marketplace significance.
- ▶ Immersive company purpose manifestations, 'possibility starting places', and COP 'knowledge strategies' will catalyze progress by reinvention.
- ▶ Putative 'Source' immersion frequencies, calibrations, and vibrational energy currencies will redefine our relationship to time and space, thus co-creative power and critical solutions.
